EXAMINER'S COMMENT AND STATEMENT OF REASONS FOR ALLOWANCE

Oath/Declaration

This application presents a claim for subject matter not originally claimed or embraced in the statement of the invention. The original claims and statement of the invention do not contain any discussion of determining that, when a mail server of next in priority order is to be selected and the bypass permission table indicates that bypass is not possible, a connection with the mail server ranked first in priority order is established again and the electronic mail is retransmitted via the mail server ranked first in priority order. A supplemental oath or declaration is required under 37 CFR 1.67. The new oath or declaration must properly identify the application of which it is to form a part, preferably by application number and filing date in the body of the oath or declaration. See MPEP §§ 602.01 and 602.02.

Allowable Subject Matter

Claims 1, 4-16, and 19 are allowed.

The following is an examiner's statement of reasons for allowance: Applicant's arguments with respect to patentability, filed March 18, 2008, are persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
